City of Greenfield 2015 Cleanup Week Report

June 25, 2015

Submitted to: Mayor & City Council of the City of Greenfield through the Office of the City Manager

The City of Greenfield held its annual Community Cleanup Week at the Tri-Cities Disposal & Recycling yard in Greenfield from Monday, May 25 through Saturday, May 30, 2015. This year the event was scheduled earlier in the year to provide more even spacing between this event and the "Reuse, Recycle, & Cleanup Day" event held at the Memorial Hall location in the fall.

Residential customers received the attached mailer some weeks in advance of the event to give them time to prepare to take advantage of this FREE annual event. In an effort to reach further into the residential community, and because many apartment dwellers often do not receive mailers based on utility payment addresses, The Offset Project staff went door-to-door to all apartment complexes within the city limits and left an event door hanger which is also attached to this report.

As with past mailers, one side advertised the event while the other side served as an educational piece reflecting the messages associated with proper recycling and avoidance of contamination of recycling containers. All messages are in English and Spanish and are further represented by photographic examples.

Item	2015 Event	2014 Event	2013 Event
Metal	7.37 tons	6.90 tons	5.61 tons
Mattresses	120 pieces	141 pieces	104 pieces
Trash	36.75 tons	39.18 tons	33.76 tons
E-waste	4.63 tons	3.70 tons	2.15 tons
Refrigerator/Freezer/Bulky	17 pieces (5 refrig/freezer)	**	**
ABOP Materials*	1,889 lbs	2,278 lbs	1,929 lbs

*ABOP collection materials include: Latex and oil based paints, motor oil, household batteries, antifreeze, flammable liquids, florescent tubes, acids, bases, aerosols, and a small quantity of household hazardous waste materials.

**2015 is the first year for FREE collection of refrigerators and freezers. These items are collected from the public at no cost to the city as part of the cleanup week contract with Salinas Valley Recycles.

Respectfully submitted,

Maury Treleven
for Tri-Cities Disposal & Recycling Service
