City of Greenfield 2019 Cleanup Week Report

June 3, 2019

Submitted to: Mayor & City Council of the City of Greenfield through the Office of the City Manager

The City of Greenfield held its annual Community Cleanup Week at the Tri-Cities Disposal & Recycling yard in Greenfield from May 20 through May 25, 2019. This event is designed to help residents “lighten the load and clear the clutter” when it comes to extra trash and items that often present a challenge to move on. The event provides a convenient, free, and legal outlet for residents to dispose of items frequently found along the roadside and in alleyways within the city and surrounding county roads. Illegal dumping of trash and hazardous materials remains a concern in the Salinas Valley.

Residential customers received the attached mailer some weeks in advance of the event to give them time to prepare to take advantage of this FREE annual event. This year, the City of Greenfield was again able to utilize volunteers from the Greenfield High School Sober Graduation Committee to reach further into the residential community and provide door hangers for many apartment complexes. Because many apartment dwellers often do not receive mailers based on utility payment addresses, this effort is much valued. The group received a \$500 donation from Tri-Cities for this community service.

As with past mailers, one side advertised the event while the other side served as an educational piece reflecting the messages associated with proper recycling and avoidance of contamination of recycling containers. All messages are in English, Spanish, and photographs.

Trash: 34.2 tons Recycling: 22.5 tons Total tons: 56.7 Diversion Rate: 40%

Item	2019 Event	2018 Event	2017 Event	2013-2016 Events Average
Metal	10.2 tons	11.81 tons	8.61 tons	7.5 tons
Mattresses	2.1 tons (58 pieces)	2.4 tons (67 pieces)	.53 tons (15 pieces)	4.2 tons (119 pieces)
Trash	34.2 tons	39.88 tons	33.7 tons	37.3 tons
E-waste	2.6 tons	3.84 tons	6.35 tons	4.2 tons
Refrig/Freezer/Appliance	6.5 tons (63 pieces)	15 pieces	33 pieces	30.5 pieces**
ABOP Materials*	2,189 lbs	2,104 lbs	1,161 lbs	1,945 lbs

*ABOP collection materials include latex and oil-based paints, motor oil, household and car batteries, sharps, antifreeze, flammable liquids, fluorescent tubes and CFLs, acids, bases, aerosols, and a small quantity of household hazardous waste materials. Thank you to Monterey County Environmental Health for providing oil filter exchange vouchers and education booth.

**2015 was the first year for FREE collection of refrigerators and freezers. These items are collected from the public at no cost to the city as part of the cleanup week contract with Salinas Valley Recycles. In 2019, staff began differentiating between refrigerators/freezers and appliances, allowing for tonnage calculations.

Respectfully submitted,

Maury Treleven
