City of Greenfield 2021 Reuse, Recycle & Cleanup Day Report

June 30, 2021

Submitted to: Mayor & City Council of the City of Greenfield through the Office of the City Manager

The City of Greenfield, Tri-Cities Disposal & Recycling, and Salinas Valley Recycles hosted a special

“Reuse, Recycle & Cleanup Day” event from 8 AM to 1:30 PM on Saturday, June 12, 2021, at the City of Greenfield Corporation Yard. The event was scheduled to go until 2 PM but had to be shut down early because the bins were too full to turn around an additional time. This event was planned and run in

accordance with COVID-19 safety guidelines regarding social distancing. These safety precautions limited some of the traditional features of these events (which typically produce a higher diversion rate).

For this event, there was NO:

- Cardboard recycling
- Plastic recycling
- Reuse (“take it or leave it”) area

This event was designed to focus on combatting illegal dumping on the streets, alleyways, and back roads adjacent to the community and “lighten the load” of built-up trash for residents who could not participate in these regular events in 2020 and early 2021.

Due to safety protocols, the event did not feature community volunteers who typically assist in delivering high source separation and recycling levels while offering assistance with unloading vehicles. However, Greenfield public works, Salinas Valley Recycles, and Tri-Cities staff worked extremely hard to be of service while maintaining a social distance from the general public.

The long line of vehicles waiting for the event to open continues to reinforce the need for these events. Due to COVID-19, two of the week-long cleanup events had been missed. This event offered mattress disposal and recycling to catch up on this particular item. Salinas Valley Recycles collected one full van

load of clothing donations and delivered them to the Goodwill. Salinas Valley Recycles provided their

hazardous waste team for the safe collection and disposal of items such as antifreeze, batteries, oil, paint, and medical sharps containers. Monterey County Environmental Health coordinated and provided vouchers for an oil filter exchange.

The City of Greenfield public works yard is an ideal location for these events. It has plenty of space to map out the dumpsters and maintain a safe traffic flow in and out of the event. Many thanks to the team at public works for their enthusiastic support and their positive attitude in serving the community.

This event continues to be successful in large part due to the collaboration and enthusiasm from a great team of professionals from the City of Greenfield, Salinas Valley Recycles, Monterey County Environmental Health, and Tri-Cities Disposal & Recycling.

2021 Diversion/Recycling: 9.92 tons 2019 Trash: 11.79 tons
Total Collected: 21.72 tons Diversion Rate: 46%

	2021 tons	2019 tons	2018 tons	Avg tons 2013-2017
Trash	11.79	12.62	8.33	5.10
Metal Recycling	5.74	6.47	4.93	2.32
Mattresses*	.72 (26 pcs.)	--	--	--
Appliances*	1.25	2.63	2.94	2.90
Mixed Recycling	--	1.47	0.93	0.91
Electronic Waste	1.60	1.55	2.03	2.03
Donations*	0.34	0.79	0.56	0.88
ABOP Waste	0.28	0.80	1.08	0.79
Reuse Area*	--	0.20	0.10	0.34
Oil filter exchange	13 vouchers	12 vouchers	31 vouchers	28 vouchers

*Weight estimated by visual volume or unit count

Respectfully submitted,

Maury Treleven

COVID-19 Event Safety

- Wear a face mask and maintain a six-foot distance from event staff
- Do not participate if you feel ill, have a fever or a cough
- Separate your load at home! No volunteers or assistance available—You must be able to unload your own items in the correct container

COVID-19

Seguridad de Evento

- Use una cubreboca y mantenga una distancia de seis pies del personal del evento
- No participe si se siente enfermo, tiene fiebre o tos
- ¡Separe su carga en casa! No hay voluntarios ni asistencia disponible—Debe poder descargar sus propios artículos en el contenedor correcto
