City of Greenfield

2023 Reuse, Recycle & Cleanup Day #2 Report

October 11, 2023

Submitted to: Mayor & City Council of the City of Greenfield through the Office of the City Manager

On Saturday, October 7, 2023, the City of Greenfield, Tri-Cities Disposal & Recycling, and Salinas Valley Recycles hosted a “Reuse, Recycle & Cleanup Day” event at the City of Greenfield Corporation Yard from 8 AM-12 PM.

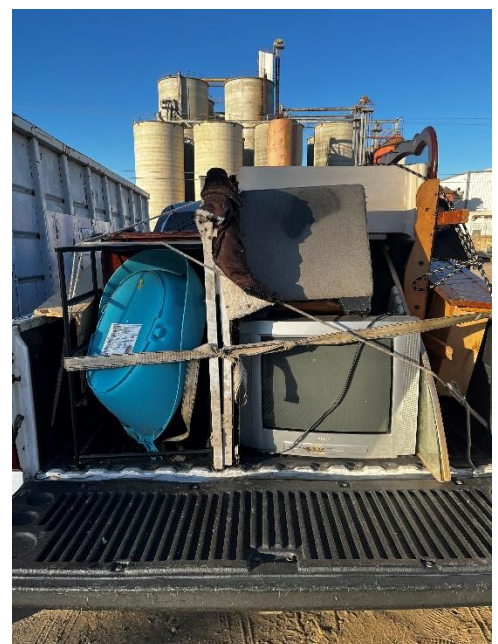

The event was sponsored by the CalTrans “Clean California” program. This sponsorship covers the cost of trash landfill disposal for the City of Greenfield. CalTrans provides support staff to conduct anti-littering and illegal dumping outreach, pre-screen loads, and count vehicles. The CalTrans team handed out CalTrans literature and the Salinas Valley Recycles brochure “Guide to Recycling & Hazardous Waste.”

There were **130 vehicles served at this event.** Attendance was lower than at the spring event. The nearly 100-degree heat or the regional air show may have kept some attendees away. Unlike past events, there were a couple of time gaps where we had no line of vehicles or participants on site. The time window from 8 AM to 12 PM continues to be optimum.

These events provide an alternative to illegal dumping on the streets, alleyways, and backroads adjacent to the community while “lightening the load” of built-up trash for residents. The line of vehicles waiting for the event to open speaks to their continued need and popularity. Public Works staff provides feedback that these events keep alleyways and roadsides clean, allowing the department to focus on other important work and community services.

The event achieved a 51% diversion rate through source separation. Salinas Valley Recycles collected clothing donations. Their hazardous waste truck offered safe collection, recycling, and disposal of antifreeze, batteries, oil, paint, and medical sharps. Monterey County Environmental Health coordinated and provided vouchers for an oil filter exchange. The lack of clean rigid plastics and cardboard coming to this location does not currently necessitate dumpsters for these items.

Tri-Cities is grateful to the team at Greenfield Public Works for their enthusiastic support and positive attitude in serving their community. These events continue to be successful due to the collaboration of a great team of professionals from Salinas Valley Recycles, Monterey County Environmental Health, CalTrans, and Tri-Cities Disposal & Recycling.

2023 Fall Event

Diversion/Recycling: 7.24 tons Trash: 7.42 tons Total Collected: 14.66 tons 385 CUYD

Diversion Rate: 51%

			2023	2013-2022 Events
	CUYD	Fall Tons	Spring Tons	Avg Tons
Trash	160	7.42	10.16	9.62
Metal Recycling	80	2.91	3.18	5.02
Mattresses*	40	0.39 (14 pcs)	0.50 (18 pcs)	0.69 (25 pcs)
Appliances (All)	80	1.60 (21 pcs)	1.89 (21 pcs)	2.34
Electronic Waste	20	1.35	0.89	1.19
Donations & Reuse*	5	0.56	0.23	0.81
Haz. Mat. (ABOP)	--	0.43 (865 lbs)	0.84 (1,670 lbs)	0.81 (1,617 lbs)
Oil filter exchange	--	32 vouchers	35 vouchers	25.2 vouchers

*Weight calculated by volume or unit count and established weight tables from waste industry sources

Respectfully submitted,

Maury Treleven
